S I R:

In response to the Office Action dated November 29, 2004, Applicant herewith submits a Terminal Disclaimer in compliance with 37 CFR §1.321(c) with respect to the rejection of Claims 1-7 under the judicially created doctrine of obviousness-type double patenting over Claims 18, 24 and 25 of U.S. Patent No. 6,089,613. Applicant also submits herewith the requisite fee of \$65.00 for filing the Terminal Disclaimer.

In view of the foregoing, Applicant respectfully submits that all of the claims in the application are in allowable form and that the application is now in condition for allowance. If, however, any outstanding issues remain, Applicant urges the Patent Office to telephone Applicant's attorney so that the same may be resolved and the application expedited to issue. Applicant requests the Patent

Office to indicate all claims as allowable and to pass the application to issue.

Respectfully submitted,
